1. Roll Call -
Meeting began at 7:13 with 9 members present
2. Review Minutes of last meeting.-
Fred Green accepted the minutes and seconded by Steve Hemeon
3. Treasurer's Report (Brentley)
Our 10th Annual Fall Rally raised \$1625 with lunch, dinner, and other expenses still to be paid. Approx total profit is \$250. Moved \$5000 to savings. \$11,700 in the bank with \$12,200 in savings
4. Membership Report (Brentley)
266 members
5. Trail Maintenance Report (Scuba)
Lots of work was done on trails to prepare for the rally. Trees cut, bridges built, stone hauled into place, bush hogged and disced trails.
Plan to rebuild the approach ramp on Boundary and the Nation trail.
Plan to remove of all signs and bridges from Loughlin Ridge Road to Shaw Road before winter.
Will be getting quotes to fix Pym trail
6. Volunteer Report –
Our current Trail Maintenance coordinator (Scuba) has also taken on the role as our Volunteer coordinator. He plans on revamping the current Volunteer rewards program!
7. Chief Warden Report (Jeff)
Warden hours are up which is nice to see.
There was an abandoned atv on the Ottawa trails with no trail pass on it. Wardens managed to get pics and are sent to the Ottawa police for investigation.

Dirt bikes on local trails again, Pics were sent to our liaison with the OPP and the owner of one machine has already been spoken to.

8. Quarter Master Report (Dave)

Chainsaw #1 is with arctic cat at Dave Baker's

Chainsaw #2 is with Kris Gough

Chainsaw #3 is still missing (be on the lookout)

Whipper-Snipper has new blades and is with Scuba Steve

Enclosed trailer has had spring assist repaired and is with Brentley Summers

Can-Am, and discs are with Mike Starr

Flatbed trailer, Arctic-cat, bush-hog, and dump trailer are with Dave Baker

Upcoming maintenance's:

- Both club machines need to go for pre-winter maintenance, fluids changed, all wear parts checked over. One or both likely require new belts for the new season.
 - Arctic-cat winch relay needs repaired (or winch).
 - Can am needs new light bar installed
 - Both machines will need plow harnesses installed
 - Plows should come out and be gone over before the start of the season
 - Both machines will need tracks installed
 - Bush Hog should have some TLC before going into winter storage (some cracks welded), replace tube in the tire that continues to go soft, other items...(so ready for action come spring)
 - Lift of 2x8x8 lumber needs to be unloaded and put into storage somewhere
- Brakes on flatbed need to be adjusted
